

Attorneys To Confer On Plans For 3rd Petition Filing Before 1963

Disappointment was expressed here by friends and acquaintances of former state Auditor Orville E. Hodge upon hearing yesterday afternoon of Gov. Otto Kerner's denial of an appeal for executive clemency which would have freed Hodge.

The governor's long awaited decision was announced at 4 p.m. yesterday, and within a few minutes the word was given

Prison Warden Ross V. Randolph. Hodge, 57, sank into a chair and hung his head. "I've got to look at it philosophically. I will apply again, but first I want to consult with my attorney."

"We are, of course, disappointed in the decision of the governor denying Orville Hodge's petition for executive clemency," Atty. Randall Robertson who handled legal aspects of Hodge's two appeals said today.

"We cannot make a comment of when we would try to bring this matter to the attention of the governor again until the attorneys have had time to confer with Orville Hodge and study the case and the statement made by the governor is the announcement of his decision."

"Orville has asked me to express his very deep appreciation

and gratitude to the many people who have given him assistance in his bid for freedom, and he is particularly grateful to the people in his home community of Madison county for their sympathy, understanding and support," Robertson added.

"Disappointed . . Discouraged"
I'm disappointed and discour-
aged," Hodge commented. "I
have done everything I could to
get along with the state. Frank-
ly, I had expected some help."

Randolph said Hodge, who is suffering from a kidney ailment since his imprisonment in August 1956 and has lost considerable weight, spoke of not feeling well and hung his head as he slumped into a chair.

role and Pardon Board for cut in Hodge's 12-15-year sentence last November and stated at that time he planned to give the matter careful consideration, since Hodge was an elected high-ranking state official and had violated a public trust in embezzling \$1,500,000 public

Governor Gives Reason

In his prepared release, distributed during a news conference at 2 p. m. yesterday at Springfield, Gov. Kerner said that despite the recovery of state funds, "Mr. Hodge's crim-

was far greater than embezzle-
ment of funds and far more seri-
ous than human greed. Having
been elected by the people of
this state to an office of high
public trust and which his particu-

sewage solids and other materials in the line without removing them from the flow, would have a maximum capacity of 25 million gallons daily.

Removal Of Grit

Although the sewer system tributary to the treatment plant essentially will be a sanitary system, it is believed the flow will contain gritty material which should be removed ahead of the primary tanks, and this would be done through a grit chamber in which sufficient acid would be supplied to the sewage to keep the organic material in suspension, yet allow the grit to settle to the bottom of the chamber from which it would be removed by an auger and cleaned removal system.

Settling tanks would be the "backbones" of the primary treatment plant for Granite City. In the tanks, the velocity of the sewage flow is reduced to permit the readily settleable and a substantial portion of the suspended solids (sludge) would be moved to a collector mechanism.

For the Granite City treatment system, construction of three primary settling tanks is proposed, each having a diameter of 70 feet, and provisions would be made for construction of three additional tanks if they are needed in the future.

Daily "Sludge" Total

The engineers estimate that 60 cubic yards of sludge would be hauled daily to the city dump. The city's six garbage and trash trucks now are hauling an average of 84 cubic yards of garbage and 126 cubic yards of cans each day to the dump.

The engineers are recommending the operation at the 437-acre dump be changed so that sludge would become virtually a sanitary landfill operation.

Levee District Budget Hearing Friday Night

A public hearing on the proposed 1962 budget and appropriation ordinance of the East Side Levee & Sanitary District will be held at 7:30 tomorrow night at the district's main office, 2642 McCasland avenue, East St. Louis.

The district appropriation ordinance pending calls for \$946,240 in the general fund and \$60,000 to cover bond deficiencies, a total of \$1,006,240, or \$500,000 more than last year's general fund appropriation.

The pending ordinance also lists lesser amounts for construction, police and engineering, and increased costs for administration and maintenance.

Proposed administration salaries are down \$1000 from 1961, and lesser amounts are also proposed for police, engineering and maintenance salaries.

The district's cash balance dropped \$494,632 in 1961, due mainly to a long legal fight for control of the board.

Two Local Youths Enter Guilty Pleas

Guilty pleas were entered by seven defendants, including two from Granite City, facing criminal charges in circuit court at Edwardsville Monday.

Daniel Farley and Thomas Wofford, both 17 and both of Granite City, pleaded guilty to charges of burglary and larceny. They asked for probation, and a hearing was set for Feb. 9.

The case of Mrs. Shirley Dicus, 20, of Granite City, was removed from the docket with leave to reinstate. She and her husband, Charles W. Dicus, were charged with illegal possession of narcotics. He faces the same charge, but has been sentenced in St. Louis to three years in prison on charges of burglary and larceny.

The case of Ronald Harkless, charged with unlawfully detaining for prostitution, was continued until March 12. He was one of three charged. The others were arraigned last week.

The cases of Leonard Crane and Gerald Hall, charged with Farley and Wofford, were continued until March. The case against Marshall Hicks, also charged with the local pair, was continued to Feb. 7.

Two Cars Collide

Two westbound cars on 20th street collided Tuesday at 1:30 p.m. near the Edison avenue intersection. Police said that Laura S. Benson, 38, of 2238 Jefferson avenue, reported she was pulling away from the curb. The other auto was being operated by Lida Pate, of 1529 Market street, Madison. No injuries were reported.

Rites For Pioneer GC Resident, R. R. Shatto

Funeral services were conducted here yesterday afternoon for Russell R. Shatto, a pioneer Granite City resident who died last Saturday at Sarasota, Fla., where he had been in retirement for the past 11 years.

Mr. Shatto was born in Steelton, Pa., and came here with his parents in 1897 at the age of four. His father, William Shatto, was one of the founders of Granite City.

His father was instrumental in establishing two of the current steel industry plants here, the American Steel Foundries plant and the old Commonwealth Steel Co. plant, now General Steel Industries.

Mr. Shatto became interested in his father's business, and was for many years associated with the latter steel firm before going into business for himself.

He was one of the organizers of the YMCA here, and was a pioneer in the state in organizing the DeMolay. He was a member of the old Kinderhook Methodist Church, and later of the Westminster Memorial Methodist Church.

In recent years, he and his wife, Susanna, had operated Susan's Hairdressing Shop in Granite City. They resided at 1111 Illinois street before moving to Florida.

Surviving Mr. Shatto, in addition to his wife, is a brother, T. W. Shatto, of San Antonio, Tex., and two sisters, Mrs. Helen Hawley, also of San Antonio, and Ruth Hathaway of Indianapolis.

Following services at a Granite City funeral home, Mr. Shatto was buried in Sunset Hill Cemetery near Edwardsville.

GC Firm Gets Contract For E. Alton Project

A Granite City construction firm, S. M. Wilson & Co., this week was awarded the \$787,613 contract to erect a 10-story apartment building at East Alton for senior citizens.

Announcement of the contract was made at the Madison office of the Madison County Housing Authority by Executive Director Duke Branner.

Branner said the multi-story construction for the elderly is not unusual. Each floor will contain eight apartments and laundry facilities. There will be 74 units including 38 efficiency apartments, 36 one-bedroom apartments and two two-bedroom apartments. Two automatic elevators will be in operation.

Construction of the concrete, fireproof building will be started shortly, Branner said, and is to be completed in 15 months.

Six Traffic Charges Fled Against Motorist

A hearing before Police Magistrate Andrew Gasparovic Saturday has been set for Geoffrey E. Charnick, 19, of 2805 Ralph street, who was arrested by Granite City police Monday at 1:35 p.m.

He is charged with speeding 60 miles an hour on Grand avenue, running stop signs at 14th street, and driving with out lights, failing to heed the flashing red light and siren on a police car and reckless driving. He posted his driver's license as bond.

Use of Electricity Also Breaks Record

Subzero temperatures not only set new records for deliveries of gas but also increased electric usage, according to E. G. Schmitt, Illinois Power Co. service manager.

On Jan. 10, IPC received 15,300,000 kilowatt-hours of electricity for delivery to customers, a 5.9% increase over the previous record set Dec. 19, 1961.

Schmitt said cold weather caused customers to make full use of furnace blowers, supplementary electrical heating equipment ranging from hot pads and blankets to portable heaters and even heat lamps.

The increased electric usage plus demands placed on gas-fired furnaces and appliances will produce one of the highest bills of the 1961-62 cold weather season," Schmitt said. Another factor affecting bills is that in some cases the billing period covered 33 or 34 days instead of the usual monthly period because meter readers were delayed by snow and ice.

Schmitt offered hints to get the most value out of a fuel dollar—clean furnace filters every two or three weeks and replace when clogged; provide adequate insulation; and for both comfort and safety call on a qualified heating contractor for repairs or adjustments to heating equipment.

McIlvroy In 'Report To State' Sunday, Monday

David McIlvroy, member of Explorer Post 94 of the Granite City Steel Management club, chosen as the Cahokia Mound Council's "Report to the State" representative, will arrive in Springfield Sunday afternoon to begin a 24-hour conference with 30 other council delegates.

The boys will elect officers of the "state government" on Monday morning and will have lunch with Gov. Kerr and his cabinet Monday noon. Each scout will then spend the afternoon with the officials to whose office he has been elected.

GC Steel Earnings Down In 1961, Report Shows

Granite City Steel Co. earned \$9,011,000 in 1961, or \$2.08 per share of common stock, Nicholas P. Veeder, chairman of the board and president, reported Tuesday at a meeting of the company's board of directors. The profits, down \$2,110,000 from 1960, are based on preliminary and unaudited figures of last year's operation.

The directors declared a first quarter cash dividend of 35 cents per share of common stock, payable March 15, 1962, to the stockholders of record Feb. 23. The company paid a 35 cents per share dividend in each of the four quarters of last year.

Granite City Steel's 1961 earnings compare with 1960 earnings of \$11,121,000, or \$2.57 per common share, based on the present number of shares outstanding. The company earned 6.5% in 1961 sales of \$139,049,000.

Weak Steel Market In '61 Last year's profits were adversely affected by the weak market for steel which prevailed until late last year as well as by the general business environment in which the steel industry has been operating," Veeder said. He referred to "the costs involved in

RC Cola Co. Major Canner of Beverages

Royal Crown Cola Co., which has a modern plant in Granite City, last year accounted for 40% of the 3,300,000,000 cans used by the soft drink industry, the Granite City Rotary Club was told at its Tuesday noon luncheon meeting by Rayburn Phillips, manager of the local plant.

With a capacity of 750 cans per minute, the Granite City plant also has the company's fastest canning line, he added. About 5% of the carbonated beverage industry's output was "bottled" in cans last year, up from slightly over 1% in 1958.

The use of disposable cans for soft drinks goes back almost a decade, Phillips said, but did not receive its greatest impetus until about five years ago, after extensive experimentation.

While carbonated beverage cans are entirely different from beer cans, except for general appearance, the problems solved by that industry helped us materially," Phillips explained.

New interior coatings had been developed for soft drinks and a nine "books" instead of three are needed to seal the sides of the cans. Steel Club Royal Crown Cola Co., comes from Granite City Steel Co., he said.

Phillips outlined the numerous laboratory tests that are made at the local plant before, during and after the beverage cans are filled. Ingredients, as well as the cans, undergo constant examination.

Once filled, hot weather presents no special problem, he said, but, extreme cold weather can cause the contents and cause the lids to bulge. Phillips was introduced by E. D. Kincaid, program chairman.

The Rotary Club also voted to stage a horse show again next summer to raise funds for community service projects. Last year's show netted \$2,600.

Improved Position

"Part of the last quarter's heavy production went into our own inventory of semi-finished steel products," This improved competitive position by allowing faster deliveries to customers and is now helping us meet the strong demand for early 1962. However, the lack of balance between production and shipments did not help fourth quarter profits. Nor was our product mix for the full year 1961, when we shipped 972,000 tons of plates, sheets, and other flat rolled steel products, as profitable as in 1960 when shipments totaled 960,000 tons.

Veeder said today's market for steel mill products is much stronger than a year ago with "the business recovery gaining momentum and fabricators apparently adding to the size of their inventories of steel to hedge against the possibility of a mid-year strike in the steel industry."

The size of Granite City Steel's order backlog emphasizes the contrast. We entered 1961 with comparatively few orders on our books and with no significant improvement in sight. Today our order backlog is rising. We expect to operate full or nearly so during the first half of 1962."

Veeder also reported on the company's progress with a major construction program designed to strengthen the profitability of the years ahead by opening new markets for our flat rolled products and improving plant efficiency. He added that the company "has yet to realize the major benefits we anticipate from these facilities."

Dugan 1961, he said, Granite City Steel "blew in" a new blast furnace, made progress in boosting pig iron output and reducing coke consumption per ton of iron by injecting natural gas.

Heart Fund Drive Begins Today In Quad-City Area

The Quad-Cities area Heart Fund Campaign begins today and will continue through February, it was announced by Joseph Gottfried, local area chairman, who will be aided by a number of Quad-Cities in the fund solicitation. Gottfried is commander of Tri-City American Legion Post 113.

Highlight of the month-long campaign, Gottfried said, will be the observance of "Heart Sunday" on February 25, when volunteer workers will conduct a house-to-house canvass throughout the area.

Assisting in the drive are Oliver Jacobmeyer, assistant cashier and business development officer of the Granite City Trust & Savings Bank, who will head the business and industry division; Harold Thomas, administrator for special education in the Granite City school district, who heads the special gifts division; Dr. B. B. Berman, local pediatrician, who will lead the

Jury Hearing Testimony In Auto Injury Case

A city court jury impaneled here Monday for a two-week setting is hearing testimony today in an auto accident injury lawsuit brought by Mrs. Mildred Crider against Howard Clind.

The jury has yet to return a verdict during the current setting. Testimony in the first case on the docket, a lawsuit listing Georgia Berger as plaintiff and Carl Kittel as defendant, was being heard Monday afternoon when the case was settled out of court by agreement of the involved parties.

Five other pending cases have been settled out of court, and six transferred to the Edwardsville circuit court, Mrs. Helen Homan, clerk of the city court, reported today. City Judge Fred P. Schuman is presiding.

Mrs. Yordana Soneff, Madison, Dies At 76

Mrs. Yordana Soneff, 76, of 1329 Madison avenue, Madison, died at 7:45 p.m. yesterday at Jewish Hospital, St. Louis, where she had been a patient one day.

She had been under medical care for hypertension and a heart ailment for several years. Born in Bulgaria, she had been a Madison resident since 1912.

Her husband, Doncho (Tony) Soneff, is a retired chipper at General Steel Industries.

Mrs. Soneff was a member of the Holy Trinity Bulgarian Eastern Orthodox Church, Madison, the Podkrepa Bulgarian Ladies Aid Society, and the Macedonian Ladies Aid Society.

Survivors, in addition to her husband, are a daughter, Mrs. James (Gina) Shipceff, Madison; a son, Steve Soneff of St. Louis, and two grandchildren.

Another son, Nick (Tubby) Soneff, preceded her in death six years ago.

Funeral arrangements are given in the obituary column.

Madison Rotary Favors County Zoning Approval

The Madison Rotary club went on record yesterday as urging adoption of zoning by the Madison County Board of Supervisors. The club will notify county board members of its action.

Harlan Dobry, Chamber of Commerce manager, was asked to speak and explained the proposal to the club members. Zoning would protect home and farm values for county residents and also would make possible the expansion of job opportunities; new plants usually cannot be attracted by areas lacking zoning, he told the club.

Zoning is to be considered by the county board after a recommendation is submitted by the County Zoning Commission, which is conducting hearings in various townships.

Clear Albert, a club member, spoke on tax, employment, recreation and retirement aspects of Florida. He warned that individuals, should personally inspect lots or homes before investing in them. President Fred Schmidt presided.

GC Postal Employee On 5 Years Probation

A Granite City former mail carrier was placed on five years probation this morning by U.S. District Judge Omar Pos at Springfield, and charges are pending before the U.S. District Court grand jury for two other carriers, all charged with theft of mail by postal employee.

Granted probation today was William J. Oliver, Jr., 21, of 2640 Highway 67a, who had waived grand jury action and pleaded guilty earlier to an information, it was learned from U.S. District Atty. Edward R. Phelps.

Last month, a similar charge was placed against another local postal carrier, Kendall E. Hillmer, 33, of 2535 Jorden avenue, whose case has yet to be presented to a federal grand jury. Federal grand jury action also is pending against Theodore C. Jensen, 41, of 2121 Clark avenue on the same charge filed in December. They are free on bonds.

Phelps, who serves the southern Illinois district, said the warrants were based on data gathered by U. S. postal inspectors and involved small amounts of money.

The date for the next federal grand jury session at Springfield has not been set. Phelps told the Press-Record.

GC Bake Shop Plans \$45,000 Addition

A \$45,000 addition to Mrs. Selbold's Bake shop, 2249 Madison avenue, was announced today by City Building Inspector Earl Bloomquist who issued a building permit to the S. M. Wilson & Co. for construction of the 31x110-foot building.

Charles Selbold, president of the corporation which has five bake shops, told the Press-Record that the new addition will feature new sales area, new baking facilities, remodeling of the present building, new offices and some warehouse space.

He explained that all the office work for the five stores would be done in the new addition.

Two garages and a house at the rear of the present building will be razed to make room for the new structure. A spokesman for the contractor said that racing operations would begin Monday. Construction of the new one-story structure is expected to take five months.

The Madison avenue shop is the main store. The newest shop in the chain is at the Bellemore Village shopping center and the other three are located at Wood River, East Alton and Edwardsville.

Divorced In Edwardsville

On the grounds that the defendant was already married and had led her to believe that he was single, Sharon Tucker was granted a divorce from James Tucker in the Circuit Court at Edwardsville, it was learned this week. The couple married Aug. 21, 1961, and separated the following Oct. 12. There are no children. The plaintiff was allowed to resume her maiden name of King.

2 Missing GC Girls Believed In This Area

Two 14-year-old girls missing from their homes at the Granite City Engineer Depot since 8 a.m. Jan. 23 are believed to be in the Quad-Cities area. Both girls left their homes for Prather junior high school but did not attend classes and have not returned home.

Granite City police said today they were notified the girls had been seen yesterday in Alton boarding a bus for St. Louis. The information has been forwarded to St. Louis authorities.

Jenny R. Jackson, daughter of Mr. and Mrs. Edgar Jackson, was seen Monday morning in the vicinity of the Prather school. She and Susan C. Strouse, daughter of Mr. and Mrs. Robert Strouse, were also seen at 19th and State streets Friday afternoon police learned.

Both girls are five foot two inches tall and weigh approximately 105 pounds. The Strouse girl has dark brown hair and blue eyes. She was wearing a brown wool three-quarter length coat, a brown and grey plaid skirt, a white blouse and a pair of black shoes.

The Jackson girl is described as having dark brown hair and brown eyes. She was wearing a tan three-quarter length coat with a fur collar, red sweater, grey skirt, black shoes and white overalls. Both girls were carrying small over-night cases; the Jackson girl had a light brown case and the Strouse girl a greyish-blue.

It was thought that they might be on their way to Savannah, Ga., but now Granite City police and their families have reason to believe that they are still in this area. Anyone knowing whereabouts is asked to contact the parents, police or the Co-ordinated, Youth Services office.

Den Three of St. Mary's Cub Pack 47 met Tuesday afternoon at the home of the leader, Mrs. Anthony Ratkevich, 1608 Fifth street. Daniel Suchak gave the opening, with the pledge and prayer. The boys completed swords which they had been working on at the weekly meetings and started a new project. Games were played prior to the closing by Russel Hughes, with the boys forming a "living circle." Mrs. Forrest Friend sent refreshments to be served to Steve Patterson, John Papa, Thomas Friend, Charles Pogorac, Ronald Warchol, Richard Scott and the den chief, Tom Hornekamp.

Machinists, A. O. Smith Agree On New Contract

Ratification of a new three-year contract between Machinists District 9 and the A. O. Smith Corp. local plant was announced jointly this week by officers of the union and company.

By agreement, the union and company declined to disclose details of the new contract except to say that percentage wage increases are included for each of the three years with the first year's retroactive to Jan. 1. About 20 machinists are employed at the plant.

In the negotiations, the union was represented by John Ryan, Carl Sonntag, George Glus and John McNally, while the company was represented by Anthony Trele, Jack Yeager, Harold Yatus and James Johnson. The company has made an offer to Electricians Local 305 and the union is scheduling a weekend meeting for the 25 members employed at the auto frame manufacturing plant.

Last week, an agreement was reached for a three-year contract for 1000 production workers, members of Boilermakers Local 575.

Auto Insurance Rate Increases Approved

An increase in automobile insurance rates sought by some 100 companies operating in Illinois under the National Bureau of Casualty Underwriters has been approved effective today, the state Department of Insurance has announced.

Approval allows the firms, which underwrite about 20% of the auto insurance in the state, to raise liability premiums an average of 13.4% and collision and comprehensive premiums an average of 5.5% throughout the state.

The increases will apply to all new policies sold, and to existing policies when they are renewed. Local agents representing the major insurance companies belonging to the National Bureau said rates for this area will be increased from \$16 to \$20 annually on liability policies, depending on coverage.

Alton Rites For Mother Of Finis Madison

Funeral services were conducted yesterday morning at an Alton funeral home for Mrs. Norma C. Madison, 60, of Alton, stepmother of Finis Madison of Granite City. Interment was in Upper Alton Cemetery.

Mrs. Madison died Sunday at Alton Memorial Hospital following an illness of three years. She was a former Alton beauty shop proprietor, and has been an Alton resident for 29 years.

Madison School Board Election For 2 Posts

Madison school board secretary Chester McManaway has announced that the first day for filing petitions for the nomination of two members to the Madison school board is Feb. 28 and the last day is March 24. The Madison school board election will be held Saturday, April 14.

The last day a candidate can withdraw his candidacy is March 27. All nominating petitions and requests to withdraw candidacy should be filed with McManaway at the board of education office at 1707 Fourth street between 9 a.m. and 5 p.m. Monday through Friday inclusive and 9 a.m. to noon on Saturdays.

Board members whose three-year terms will expire are Orl M. Blumentstock and Frank L. Derner. Blumentstock has been a member of the Madison school board since 1951. Derner was appointed in 1960 after Elmer L. Kelly died. Derner was elected last year to complete Mr. Kelly's three-year term.

Other board members, with their term expirations, are President John Bellhoff (1964), McManaway (1964), Henry M. Baumeu (1964), Dr. Steve K. Senoff (1963) and William G. Schreiber (1963).

First day for applying for absentee ballots is March 18.

Navy Airman David Davis Finishes Hydraulics Course

David L. Davis, airman apprentice, TONY, son of Mr. and Mrs. David R. Davis of 2117 Missouri avenue, was graduated recently from the hydraulics course of the Aviation Structural Mechanics School at the Naval Air Technical Training Center, Memphis, Tenn.

The eight-week course covered aviation principles and supply, electricity, circuits, flight theory, maintenance drawings, hydraulic systems, landing gear unit safety precautions, tools and equipment, brakes, corrosion prevention and removal and aircraft preservation.

Previously, such men were placed in Class IV-F, a classification hereafter to be used for men not qualified for any military service.

Another change in regulations removes the criteria of class standing and college qualification test scores formerly used in considering college student deferment. Now, these may be used by local boards if they so desire, but they are not required to do so.

Elks Lodge To Initiate 11 Members On Sunday

Local Support of County Zoning Sought By C. of C.

Support of the proposed land use and zoning plan for Madison county is being sought by the Tri-Cities Chamber of Commerce from 29 local clubs and organizations.

In letters sent this week by C. of C. President Paul H. Lichtenberger, the service, veteran, labor, civic and PTA groups, including women's organizations, are being asked to submit resolutions to their membership calling for approval of the county plan.

The resolution states in brief that the organization feels the passage of the proposed land use and zoning plan for unincorporated areas of the county "is of vital importance to the orderly growth and development of Madison county... providing much needed protection of property values and... assurance of a more prosperous future for all of our county's citizens by making it easier to attract new industries and businesses to provide needed job opportunities."

"The resolutions, when adopted, are to be returned to the local C. of C. office, which will publicize them and forward them to the appropriate members of the county board of supervisors."

In the letter, Lichtenberger

Pleads Guilty

Special Abe Lincoln Program Set For Tuesday

Granite City's Park District is sponsoring a special Abraham Lincoln program Tuesday at 7:30 p.m. in the Nameoki school gymnasium. The program is open to the public and will feature three films made available through the courtesy of Harry Fechte.

G. H. Sternberg will address those present and answer questions from the audience about Lincoln.

The first film presentation entitled, "The Story of Two Men," tells of Lincoln and his school teacher Menton Graham. The movie lasts 27 minutes. The second film, lasting 30 minutes, is "Lincoln Speaks for Himself." It features key speeches and excerpts of his life.

The third and last motion picture, which will run 30 minutes, is entitled, "Meet Mr. Lincoln," and gives the story of his life. Abraham Lincoln literature will be available for those present.

Game Is Seltout

Baseball fans gobbled up every available ticket for the Madison-Collinsville game of Saturday night within an hour and a half after they were placed on sale at Madison high school Tuesday. Principal John Pat-
cuff said today.

"We are asking that people who do not have tickets stay away," the principal said, "because there will be no sale at the gate Saturday night."

The MHS gymnasium seats approximately 1300, with about 1000 of the seats un-
reserved.

Central Scores Double

Win Over Coolidge

Central grade school cagers swiped a doubleheader from host Coolidge junior high school Monday, winning the eighth grade encounter 36-35 and Central's seventh graders had pushed their season record to 11-0 with a 27-20 victory in the preliminary contest.

The second game was in doubt until the final buzzer. Coolidge held a 19-18 halftime lead. Larry Ripka bucketed 24 points for Coolidge, and Len Revelle topped Central with 23.

The undefeated seventh graders of Skip Hastings enjoyed a 17-8 halftime lead. Terry Moore with 11 points and Dennis De-Montmolin with 10 led Central. Ricky Turner had seven for Coolidge.

Central concludes its regular season today, hosting Madison junior high school at the Prather JHS gym. Coolidge has completed scheduled games, but will enter the journey high conference Tuesday Feb. 6-9 at Collinsville.

Sports Jamboree

Here In June

Meeting Tuesday night at the Big Top Bowl, representatives of the Illinois Youth Commission and the local Jaycees set Saturday, June 16, as the date for a sectional Junior Sports Jamboree here.

Bill Herbst of the Jaycees will serve as general chairman for the local sectional, which will bring together boys and girls for athletic competition throughout an area which extends as far south as Cairo and as far east as Danville.

Track and field events will be arranged at the Granite City high school athletic field, a Jaycee spokesman said, while swimming events will take place at the Granite City Engineer Depot.

Competing in the sectional will be the top finishers in their parishes, sectional winners go to regional "jamborees" to be held earlier throughout southern Illinois. A regional meet was held here last year.

Swimming competition here will be directed by Bob Shipley. Boyd Presley will have charge of the track and field events. Sectional winners go to the state Jaycee finals.

Semifinals Tonight

Three local Golden Gloves have reached the semifinals of the St. Louis area boxing tournament sponsored by the St. Louis Jaycees, and two of them will climb into the ring tonight.

Willie Smith of the Lincoln AC will meet Harry Anderson Jr. of the Alton YMCA in tonight's ninth bout, a 135-pound novice semifinal, and Connie Ybarra of the Jefferson Bar-kards Boys' Club is scheduled in a three-rounder against John Overall of the Leisure AC, a 126-pound novice go. The match is the second on tonight's card, which begins at 7 o'clock at the St. Louis House, Jefferson and Lafayette avenues.

Joey Ybarra, a Lincoln AC fighter, will box in the 118-pound novice final on Feb. 10. He will be managed by Willie Smith, a boxer and a Willie Smith are trained and managed by Jack Bogosian and Gene McGovern.

Plaza Pizza Moves

Closer To Senior

Teenage League Title

Plaza Pizza House moved one step closer to claiming the B Division crown of the park district's Senior Teenage League last night at the Lincoln Place community center by pounding its closest opposition, the Trojans, 32-40, in the nighttime Roca Club won its second game of the year by forfeit from the YMCA Sharpshooters.

It was the second win in a row over the Trojans for Plaza Pizza. The winners led most of the way but the Trojans never out of contention until the closing minutes. Steve led the winners with 20 points and Jim Ash added 10.

Harry Thru was high for the losers with 18 points and Mike Suss contributed 12. Plaza Pizza is now 7-1 in the league and the Trojans have dropped into second place with a 6-2 mark.

Trojans 'Go Through Motions' While Taming Jerseyville's Panthers 86-43

Pouring in the first eight points and finishing the game with 32 markers, Don "The Earl" Freeman led Madison's Trojans to an 86-43 win over Jerseyville's Panthers Tuesday night.

Despite the one-sided score, Coach Earl McClanahan's Trojans seemed to be just through the motions of playing at Jerseyville as every man on the club was aware of the next game. The stage is set for Saturday night's "command performance" of the state's fourth and tenth-ranked teams, Madison and Colinsville, respectively, in the Trojan's gymnasium.

Tuesday night's win was Madison's 11th in an undefeated season while Jerseyville dropped its 11th decision in 14 starts. The victory margin would not have been so great had both teams been playing ABL professional basketball rules, which allow three points for every basket made from outside a 25-foot line.

Fail To Move Close
Coach George Haven's Panthers did not lose possession of the ball often, but Madison's press and Jerseyville's tactics kept the Panthers from getting the ball in close to the bucket. Warren Anderson spent most of his time dribbling the ball and every time Bob Smith got the ball he sent a high-arching 30-footer at the hoop. The Pan-

thers made 15 field goals, Smith and Anderson each accounting for five.

Jerseyville was expected to "freeze" the ball if it could grab an early lead. Madison's weakest quarter all year has been its first.

However, the Panthers were unable to get the lead as the Trojans jumped out to a 10-4 advantage and went on to lead 19-11 after the first eight minutes. Madison led 44-19 at the half.

Forced To Play
Because of the deficit, Jerseyville was forced to play and Coach Haven's Panthers proved no match for Madison's forest. One string that was broken in Tuesday night's game was the least four players in double figures for each of the last 11 contests. Against Jerseyville, only three Trojans were in double figures but three other performers tallied eight points apiece.

Following Freeman with 30 were Bob Hayes with 15, Ken Griggs 10, Mick "Hawk" Gravelle 8, Terry Andrews 8, Ed Petty 8 and Charlie "Boz" Kosek 4. Anderson led Jerseyville with 17, Bob Brundage added 12, Jim Smith 11 and Gary England 11. Madison won the junior varsity game 85-49. The win was Madison's 11th in a row, while Jerseyville fell to 11 games. Leading the Trojan jayvees in scoring were: Gary Skinner 20, Cecil Bell 17 and Lonnie Brown 11.

Prather Matmen Lose To Florissant 35-7; Complete 6-6 Season

Prather junior high school wrestlers were shut out in the last nine bouts Monday, and dropped a 35-7 decision at Florissant, junior high in St. Louis county.

Bob Zaleski's Chiefs finished the season at 6-6, as compared to a 2-8 record last year. The first campaign on the mats for Prather, Members of the team will be held during a banquet at the Rose Bowl Tuesday night, at which time squad members will elect an honorary captain for the past season and select the most valuable and most improved members of the squad.

Gary McGauley of Prather lost for the first time this season on Monday, being defeated in a 13-0 round bout. The match results:

55 pounds - Glen Morgan (P) and Selden drew, 2-2; 103 - Bob Finley (P) defeated Sangunt, 3-1; 112 - Richard Grizzard (P) and Allie drew, 5-5; 120 - Chilton (P) defeated Phil Minner, 5-0.

Florissant also won four exhibition bouts, with the Chiefs Ken Gattling, and Travis, Leroy Tidwell and Bob Moyer being beaten.

Schlitz Meets Shop City; Third Place Is At Stake

Granite City Bowland Schlitz, which regained its past form in knocking off Ripley Pins 3-0 last week and moved back into fourth place in the Southern Illinois Bowling Proprietors Association Classic league.

Schlitz could move up higher if the club can take two or more from Shop City, which has a half game up on the local quintet, 31-14-31-14 to 31-32.

Other action finds the Alton Flyers (37-20), back in first place after a week's absence, matched with Fairmont Bow (30-33), second place.

Cahokia Bow paired with collar-dewler Bush Bavarian (26-37) of Collinsville and Leona's Bowlers Shop (31-32) of East St. Louis going against Ripley Pins (29-34).

Schlitz's Max Legate continues at the league's top average bowler with a 204-pin mark. Clancy Fowler and Celia Eke are next at 201. Saturday's action will begin at 7 p.m.

Venice Finds Control Game Is Not Way To Stop Worden Trojans; Is Beaten, 81-47

"They're not going to score a hundred points against us," promised Venice high school coach Bill Oehlendorf early this week when he read the results of a Worden-Breese basketball game of last Friday in which the Trojans swamped their opponents, 107-66.

Worden opposed the Red Devils in Venice Tuesday night, and true to Oehlendorf's prediction, was held to less than 100 points. But the visitors, who led the Madison-Clinton-Macoupin counties conference with an 8-1 record, could not move much more handily in any case, as they dealt Venice an 81-47 setback.

Venice employed a stall in the first period, holding the ball without making serious scoring attempt after Larry Hayes had cut Worden ahead 5-0 with a pair of free throws.

Neither team got a shot at the bucket until 3:45 remained on the clock when Allen Daube engineered a steal and hit on a 12-foot jumper. The Trojans then threw opportunities, but the first basket was seven of eight by the Devils, winning their lead to 41-15 at halftime and 69-29 after three quarters, when reserves took over.

Don Devany, who led Venice scores with 16 points, picked up 12 of them in the final quarter against Trojan subs, who were outscored 18-12. Daube, Behne, Tom Loomer, and Gami Lamb all hit in double figures, but they sat out the final quarter and a portion of the third period.

The Trojans were aggressive on defense but committed only eight personal fouls, six of which were whistled in the first half. The Devils hit on seven of eight 12-foot jumpers, but it was the game was decided from the field. Worden gathered 33 baskets, while Venice just 20.

Bunker Hill, Westlin Win
Bunker Hill 111 and Westlin scored close to Worden in the run for an MCM title. The Minutemen ambushed Livingston 93-71, while Westlin slipped past Breese 68-22 in other Tuesday night games. Bunker Hill and Westlin are both 7-2 in conference play.

Venice is now 1-4, and must beat last-place Livingston tomorrow night to avoid falling into a tie for the cellar position.

The varsity scoring: Venice—Don Devany 16, Jerry Cicio 8, Richard Rousseau 7, Pete Fields 6, Bill Black 5, Dan Daube 2, Jack Fields 2, Paul Sitten 1, Ray Shambro 0; Worden—Allen Daube 20, John Behne 17, Gami Lamb 16, Tom Loomer 14, Larry Hayes 6, Jerry Schaefer 5, John Sharp 2, Dave Sauerwein 1, Al Radeo 0, Larry Gusewelle 0.

The school's team will wrap up the regular season by playing Central grade school at Prather High tonight at 6:30.

Rams Halt St. Louis Sumner, 77-53

Coach Stan Lynch's Lincoln of Venice Rams turned spotters last night as they hosted St. Louis Sumner and sent the West Siders home with their first loss in 16 contests. Lincoln won the game with ease, 77-53.

The game marked the return of Lincoln's Tom Hall and the first contest for Sumner's new starting five. Hall, who was suspended, had missed eight games prior to his return last night. Sumner's first five graduated last weekend and Coach James Price was faced with the job of rebuilding in mid-season.

It was Lincoln's fourth win in a row and upped the Rams' overall mark to 8-3. Lynch's squad hosts the perennially-tough Carbondale Attucks Saturday night. The Lincoln-Carbondale game originally was scheduled for Jan. 6 but was postponed because of bad weather conditions.

Hall Hits 25
"You know, he adds quite a bit to our lineup," said a jubilant Coach Lynch after last night's triumph. He was obviously referring to Hall's return. An all-star performer a year ago, Hall tossed in 25 points against Sumner.

"I wish we could have played their last week's starting lineup," Lynch added. He pointed out that his boys were only beaten by 12 points at Sumner without Hall's services.

Sumner's Coach Price didn't have to give up hope entirely for the remainder of the season, because the squad he started against Lincoln Wednesday night did not offer any decrease in height—just experience.

Gone is Rich Parks—Sumner's ace for the first 15 games. However, ever present is Eugene Moore. Six-foot seven-inch Moore pumped in 26 points last night to lead all scorers.

Trailed 18-14
Lincoln trailed at the end of the first quarter, 18-14. "We had to go get them in the second quarter," declared Lynch as he explained why he decided to press his taller opponents. The results were startling. The Rams outscored St. Louis 18-14 and walked off the floor at half-time with a 32-25 lead.

From that point on it was all over. Lincoln kept pressing and the margin kept widening. Lynch's squad enjoyed a 33-13 lead going into the final period of play.

"We never let up," said Lynch, "and we broke it wide open in the fourth quarter." The game was played before the largest home crowd of the season as over 500 fans filed into the gymnasium to see Sumner's winning streak come to an abrupt halt.

Bob Chavis followed Hall in starting for the Rams with 21 markers. Johnny Marchbanks, who recently won a starting position with Lincoln, was next with 14 and Charlie Hatter added 13. Lincoln's defense star, Edgar, tossed in two field goals to round out the scoring.

Sumner's scoring was handled by four men. Moore's 26 points were followed by Bryant with 12, Clark 11 and Thomas 4. Lincoln fans were not disappointed all night, as their junior varsity won the preliminary contest, 50-45.

Coolidge Wrestlers Edge Florissant; Record Now 13-0

Richard Bledsoe's pin victory, the only one recorded by either team in 12 bouts here last night, enabled Coolidge junior high school's wrestling team to eke out a 20-18 win over Florissant, and preserved the Braves' perfect 1961-62 record.

Each squad won six individual bouts, and the point advantage changed hands five times before John Evenden scored a decision in the heavyweight bout to bring the Braves from a 17-18 deficit to their final 20-18 victory margin.

It was the closest call for Bob Mosk's wrestlers this season. They had beaten Florissant three earlier, 34-11, but at the time Mosk indicated that the outcome was much closer than the point standings had indicated.

One Meet Remaining
Now 13-0, Coolidge will conclude its season here tomorrow at 4 p.m. against Roxana. The match results:

85 pounds—Steve Cavanaugh (C) defeated Tom Selben, 6:0; 103—Richard Bledsoe (C) pinned Craig Sanguinet, 2:31; 112—Cliff Alligier (F) defeated Terry Tessary, 8-4; 120—Steve Shaw (C) defeated Ron Chilton, 6-4.

127—Joe Perry (F) defeated Tom Mosk, 8-2; 135—Mark Pittsburg (F) defeated Tom Craycraft, 9-7; 138—Frank Miller (F) defeated Mike Mounce, 3-0; 145—Ernie Kern (C) defeated Ken Holubek, 8-0.

154—Gary Davis (F) defeated Gary Forshee (C) defeated Frank Hohengarten (F) defeated Ken Brawley, 5-0; heavyweight—John Evenden (C) defeated Rich Boatwright, 5-2.

Harry Briggs and Larry Weaver won exhibition bouts by falls, and Coach Bob Miller, brother of the Braves won decisions.

Kerner Denies

(Continued from Page 1)

trust and he betrayed the friendship and esteem which so many of his friends and associates had placed in him.

"If I were to reduce the sentence, the people of this state might conclude that a different and lesser standard were being applied to politicians and they would be deeply and rightfully disturbed." (The text of the governor's statement is given at the end of this article.)

The governor made no further comment. His office was empty in moments, as newsmen rushed for telephone calls. A Press-Record representative relayed the information here at 2:03 p.m.

Parole Status Now
Yesterday's decision by the governor was Kerner's second rejection of a clemency appeal by Hodge, who will not be eligible to apply for parole until November 1963.

Atty. Robertson explained the state parole board could act exclusively on Hodge's petition for pardon after the eligible date in November 1963. Any petition prior to that date would need approval of the governor, with the state's chief executive having the final say.

In the first refusal last May, Gov. Kerner said he was planning to make changes in parole board appointments and suggested Hodge file another petition. This was done by local Atty. Robertson and the Springfield attorneys, aided by Hodge's relatives and close friends here, who went to Springfield last fall to appear at a hearing before the commission.

Numerous letters were sent to the commissioners and Kerner on Hodge's behalf from all sections of the state. Hodge was hopeful of returning to Granite City and going to work in a hardware store operated by his sister, Mrs. Bessie Henley.

He received further encouragement upon learning of the public office of which Mr. Hodge was guilty cannot be condoned.

"If I were to reduce his sentence, the people of this state might conclude that a different and lesser standard were being applied to politicians and they would be deeply and rightfully disturbed. It is not easy to adhere to rigid principle where a man's liberty is at stake, but in this case the principal of trust and integrity must stand unshaken."

"The refusal of executive clemency should not be interpreted as the revenge of an unforgiving system or as a denial of the privilege of rehabilitation."

Zimmerman Hospitalized
Alfred J. Zimmerman, 2312 State street, entered Jewish Hospital in St. Louis Tuesday to undergo observation and treatment.

"But I am being asked to say that the sentence imposed upon him by the committing court, a sentence imposed, not in the heat of adverse publicity, but as a reflection of general indignation at the enormity of his crime, was too severe and should now be reduced to reflect the passage of time and the fact that the State of Illinois has recovered from one source or another, the funds which Mr. Hodge embezzled."

"Betrayed Solemn Trust"
"I cannot accept that conclusion. Mr. Hodge's crime was far greater than embezzlement of funds and far more serious than human greed. Having been elected by the people of this state to an office of high public trust in which his particular responsibility was to watch and safeguard public funds, he betrayed that solemn trust and he betrayed the friendship and esteem which so many of his friends and associates had placed in him."

"Mr. Hodge's case is unique and his request for executive clemency cannot be dissociated from circumstances which led to his imprisonment. At a time when we are struggling to maintain the integrity of our system of free elections and representation, the people of this state must be made aware of the consequences of a betrayal of public trust."

Zoning Plan Supported

(Continued from Page 1)

Planning: Don Muirhead, Macon county farmer and supervisor; and President D. W. Morris of Southern Illinois University. The Citizens' Planning Committee is meeting on zoning this afternoon in Edwardsville. County board members attending the discussion in Granite City were: Granite City Township—Assistant Supervisors John G. Graham, Homer "Cal" Pendleton, Milton E. Allen and Robert Gaughan; Venice township—Supervisor Arthur W. "Cooper" Moore and Assistant Supervisors Claude Echols and Jay D. Maurer; and Nameoki township—Supervisor Harry A. Briggs. Others in the group included Paul H. Lichtenberger, president of the Tri-City District of Commerce; Edwin F. Reese, president of the Tri-City District of Labor; Alvin T. Barnes Jr., executive director of the Associated Retailers and Civic Association; Ernest A. Karandjef, president of the Granite City Trust and Savings Bank; Harlan Dobry, manager of the Chamber of Commerce; and C. E. Townsend, Press-Record editor and publisher, who was host.

Competition For Plants

In opening the meeting, Hoelscher noted that the Citizens' Planning Committee has gone on record endorsing county zoning. Reporting stepped up efforts elsewhere to attract new industry, he said this area could lose present or potential plants if it fails to enact zoning, despite otherwise ideal local conditions.

Butler said the hearings had been expected to be "routine," especially in agricultural townships where zoning districts conformed almost entirely to existing land use. He said the opposition appeared to be limited by a "taxpayers' association" which he said has only a small membership and does not reflect the thinking of most Madison county residents. Granite City, Venice, Nameoki, Chouteau, Alton, Wood River, Edwardsville and Collinsville townships make up six-sevenths of the county's assessed valuation and 196,000 of its 220,000 population. Butler said in stressing the economic issue involved for all county residents. Hazardous future growth would harm industrial sites vital to adequate job opportunities, he said.

Governmental Problems

Lack of zoning creates additional problems for the county government through spread of residential areas where drainage, water, police and fire protection, schools, roads and public health cannot be provided efficiently, Butler said, commenting, "Such chaotic conditions can give the government thousands of new problems." Some of the hearings have developed into "maneuvering" with "seeds of distrust sown before we come before the group. Farmers have been misled by the fact that they could not grind stock feed and that they would not be allowed to break machinery on their farms. "They have been told that 'city slickers' would impinge on their rights, when in fact zoning would give them freedom from having junkyards, motorcycle tracks and amusement parks near their homes."

Protect Home Investment

Butler said the hearings have shown a need for greater public respect for county government, the value of attendance by zoning supporters and greater public realization of the need for protection of individuals' investments in homes and property. Zoning Committee Chairman May said a variety of pressures

has been applied to county board members by zoning opponents, including threats of physical harm, warnings of election opposition and even an indirect threat of bombing. He cited instances where supervisors have been re-elected with even greater margins after repudiating such pressure.

Supervisor Briggs said similar opposition to the county building code increased election competition for him in some areas but not in others.

May noted that negotiations about the building code failed to prove correct after it was in operation. The code has no connection whatsoever with zoning, but foes have quoted from the code in trying to confuse the public about zoning, he added.

Fast Growth Likely

Affirming the importance of zoning in the townships listed by Butler, May said Godfrey, Foster, Moro, Pin Oak and Jarvis townships also have much to make due to anticipated growth. Though some expansion was delayed in the past by reliance on well land and by the area's previous labor reputation, Madison county will "mushroom very fast" in the near future, he asserted.

May said zoning preparations have not been expensive to the county. He defended assessment map expenditures as essential to prevent large-scale tax objections. An example cited was Chouteau township, with over 80% of assessment descriptions faulty prior to being corrected.

Although not yet completed due to lack of funds, the assessment map and card index are being kept up-to-date, a major task in itself due to the 1500 property transfers monthly, May said. They have proved invaluable to the recorder of deeds office in meeting stricter recording laws, he reported. Assessment is unrelated to zoning, but use of the maps has helped cut zoning costs, he explained.

Reiske reported lack of understanding of zoning among the public and fear that the administrator would be a "policeman" interfering with present practices.

Contacts With Farmers

Efforts have been made to transmit accurate zoning information to farmers, but the opponents have informed many farm groups of the false allegations of zoning, he said. Gaughan recalled the successful effort to adopt zoning in Granite City when he served on the city council.

Mudge said he is convinced Madison county "ought to have had zoning 15 years ago," and said there should be strong support from farming areas. "The economic issue involved for all county residents. Hazardous future growth would harm industrial sites vital to adequate job opportunities, he said."

Repeat Confusing Questions

The discussion brought out that tactics by zoning foes include distribution of questions to be asked by residents at townships so that each new hearing group will become confused. The questions, most of them phony, have been answered previously but are injected again to help sway the public, it was contended.

Because the commission is an arm of the government, it is important that the hearings remain orderly and factual and not be used as a vehicle to persecute and harass zoning officials, the group concluded.

Fourth Session Planned

On Economic Survival

Harold F. Karandjef, Chamber of Commerce good citizenship committee chairman, announced this week that "Who Gets What" will be the topic of the fourth in a series of workshop sessions at 7:30 a.m. Monday in clubrooms of the YMCA. The group is studying "Freedom vs. Communism—the Economics of Survival." Next Monday's topic deals with distribution of products. John McBride is discussion leader.

Two Autos Crash

State police reported a minor two-car collision on Highway 67 near Pontoon road Monday at 8:45 p.m. Drivers were William Pauley, 26, Roxana, and Jacqueline Brink, 32, of 4045 Rode avenue. There were no injuries reported.

Tuesday Accident

A two-car collision on Highway 67a in front of the A. O. Smith Corp. plant was reported to Granite City police Tuesday afternoon. There were no injuries reported and state police were notified, investigating officers said.

Challenge to Education — Quality As Well As Quantity

Better education, as well as further dispersed geographically, may be no more difficult for you than the problems encountered by the people of the past were for them.

"You will have the benefit of more extensive information, better communication, and perhaps a deeper sense of social responsibility and interdependence than those before you have had. Particularly, you will be prepared with a better formal education."

Graduates Sought After. "Many of you will extend your education by college attendance, and eventually some of you will enter the most advanced professions."

"Never before have such great numbers of young people sought college education, and never before have college trained people been more sought after."

College Expansion. Dr. Ellis said that while college enrollment is expected to double, perhaps even triple, in the next 10 years, he thinks "it is not at all unrealistic to assume that the quality of higher education should and will go up during the period of expansion."

More Interest, Funds. "With a more vigorous interest in education, we are part of the people generally, and surely with greater financial support than in the past, we must have higher education better in quality as well as broader in scope."

"I believe it has been the history of higher education in America that our greatest advances qualitatively have been during periods of expansion in numbers of colleges and numbers of students," he said.

"Our experience at the University of Missouri during the past few years seems to be part of the qualitative improvement about which I am speaking. On the basis of standardized examinations and freshmen entering the university have shown a gradual, but significant, improvement in academic ability."

"Their high school records show the same thing. If this is the case over the country generally, it constitutes a valid basis for improving the quality of higher education, even though enrollments are going up rapidly."

Better Equipped For Tasks

In that part of his talk touching on the outlook for members of the local graduating class, Dr. Ellis said that "because of the rapidity of change these days, especially technological innovations, creates the necessity for social, economical and political adjustments, you will find challenges and complexities everywhere on a wider scale than have existed heretofore."

These problems, although of greater variety, are more complex and perhaps more difficult to solve than those of the past."

Plan For Coolidge

Spring Fashion Show. Mrs. Mildred Lewis, chairman of the second annual Coolidge PTA spring fashion show, conducted a meeting of the committee members Monday evening at Coolidge junior high school. The fashion show theme will be "In a Spring Garden," and it will be held in the first part of April. The exact date is indefinite.

Students who will be the show's models, and 11 stores will participate in the show. Mrs. Valerie Evenden, PTA president, will be the commentator.

Mrs. Lewis reported that the art department of the school has offered to prepare appropriate backgrounds for the various styles, and the committee decided to hold the show in the gymnasium instead of the all purpose room. Last year, the all purpose room could not accommodate the overflowing crowd.

Mrs. Ellene Heinks will be in charge of the music for the show and intermission. Co-chairmen of programs will be Mr. and Mrs. Charles Rodell, and Mrs. Elva Mae Spieland and Mrs. Evelyn Rodell. Mrs. Ann Sabin, Mrs. Spieland, Mrs. Line, Mr. and Mrs. Richard A. Polley, Mr. and Mrs. J. W. Whitfield, Mrs. Ann Kummernann, Mrs. June Cuchna, Mrs. Marge Green, Charles H. Jungels, Mrs. Eva Shepard, Mrs. Mary Tesse and Mrs. Lois Haynes.

Former Resident Dies In California. Word has been received by friends here of the death recently in Chula Vista, Calif., of James Horner, a former Granite Cityan, due to a heart attack.

Funeral services and burial were in Pinckneyville, Ill., by the side of his wife who died two years ago.

2 Speeding Charges

Charged by Granite City police at 1:30 a.m. yesterday with exceeding the speed limit were John Long, 45, of 1508 S. Johny avenue, and John Hawley, 20, of 2525 Benton street. Both posted drivers' licenses as bond.

Never Stop Learning

Dr. Ellis advised the students that one aspect of their education, whether they go to college or not, will be the necessity of continuing to learn when their formal school and college days are past.

One of the great differences that is coming to modern life with its enormous changes is the absolute necessity for people to be continuously learning about their jobs. This is just as true whether you are a practicing physician or a lawyer, or whether you go directly from high school graduation to work in industrial or mercantile pursuits."

Dr. Ellis impressed upon the graduates that one of the important factors in their future will be how well they have learned on their own, how aware they are of the possibilities of improving themselves by additional learning, and how ready they are to acquire new information and new skills.

1000 Attend

Attendance at the commencement was estimated at 1000 persons, filling the school auditorium.

Other speakers included Miss Eddy Marshall, class valedictorian; Miss Nancy Dunscomb, class salutatorian; George H. Lawrence, class president; Principal Lawrence McCauley, who presented the graduates to Superintendent Harold M. Kaiser; and Dr. Kaiser, who presented the class to Robert S. Spengler, president of the board of education. Spengler awarded diplomas to the 93 top seniors.

The school band participated, and Rev. David E. Nyberg offered prayers.

Water Rate Opposition

(Continued from Page 1)

Charles E. Nichols of Belleville, president of the Water Consumers' Association, voicing support of that organization. The Belleville group is composed of a number of municipal officials and business leaders, and announced plans earlier to hire an attorney, a consulting engineer and an accountant.

New Date Likely. Date of the second hearing on the matter is expected to be set next week by the ICC, giving both sides a chance to prepare their cases. It is anticipated that opponents will ask for hearings to be held in this area, giving more local people a chance to attend.

The new rate schedule was requested by the water company Dec. 28, to become effective Jan. 28. Effective date was suspended until May 27 by the ICC to allow

time for public hearings before it acts on the request, the fourth by the firm in the last 10 years.

If approved, the new schedule would increase the average residential water bill in the Quad Cities by 32.7%, or approximately \$2.75 a quarter. Rates in the high level area served by the firm, which includes the Belleville-Swansea area, would be raised even more.

In announcing the request for new rates, water company vice-president and manager E. C. Smith said current rates are inadequate to cover the cost of operation, maintenance and taxes, provide for depreciation, and produce operating income sufficient to give a fair return on the company's property and investment.

Cloverview Garden Club Elects New Officers For '62

Officers for 1962 were elected Tuesday by the Cloverview Garden Club at a meeting in the home of Mrs. George Knapp, 2439 Lynch avenue.

The list includes Mrs. B. C. O'Neill, president; Mrs. V. J. Lisac, vice-president; Mrs. Knapp, recording secretary; Mrs. John Lentz, corresponding secretary; Mrs. Fred Orr, treasurer; and Mrs. Leo Roman, historian.

The hostess served a 12:30 dessert course, and the meeting was called to order by Mrs. Roman, the retiring president. Mrs. John Lentz read the club collect; and after the business discussion and election, the meeting was given.

It consisted of "Facts About Winter Birds and Types of Bird Feeders" by Mrs. Ray Williamson, ornithology chairman, and a comprehensive study of the history of roses by Mrs. Jenkins.

Announcement was made of the Illinois State Flower Show to be held at McCormick Place in Chicago March 22 to April 1, and Mrs. Roman was appointed ticket chairman for the event.

Present at Tuesday's meeting were Mesdames Jenkins, Lisac, Robert McCauley, O'Neill, William Ogden, Orr, Roman, John Sedlack, Russell West, Williamson, John Wilson and Lentz.

in a class by itself, right
between compacts and big cars.

In a 1962 Ford Galaxie or Fairlane you can go all year—or 12,000 miles—with only two stops for service. This revolutionary new twice-a-year maintenance program—available only in the cars from Ford—frees you forever from the nag-nag-nag of month-after-month servicing. (See chart.) It's the biggest thing that's happened to cars since Ford introduced the 12-month or 12,000-mile warranty.* See your Ford Dealer soon—and start saving time and money with the convenience of twice-a-year maintenance. It's another Ford first!

*Ford Motor Company warrants to its dealers, and its dealers in turn, warrant to their customers that Ford will repair or replace, without charge, any part or parts of the engine, transmission, or drivetrain that fail within the first 12 months or 12,000 miles, whichever comes first. Free replacement includes related labor; will be made by dealers of any part with a defect in workmanship or materials. Free is not covered by the warranty; replacement adjustment will continue to be made by the Ford company. Owners will remain responsible for normal maintenance service and routine replacement of maintenance items such as filters, spark plugs, tire, oil, and grease points.

Miss Wanda Bukovac, Samuel Donnelly Are Engaged

Announcement is made of the engagement of a former Granite City, whose engagement to Samuel Donnelly of Hartford, Conn., is announced. The bride-to-be is a daughter of Mrs. Raymond Winterberg, 200 Twenty-fifth street, and George Bukovac, also of this city.

The bride-to-be, a graduate of the local high school, is employed as an accountant and statistician for the city of East Lansing and is a part-time student at Michigan State University where she will receive a B.S. degree in accounting in June.

Mrs. Donnelly also is a MSU student and will receive a master's degree in electrical engineering in June.

Surprise Party Honors Graduate

Bob Potillo, oldest son of Mr. and Mrs. Jerry Potillo and a member of the January 1962 Granite City high school graduating class, was surprised by his cousin, Mrs. Shirley Lane, with a party in her home, 2121 Missouri avenue, Tuesday evening.

Games of scrabble, password and checkers were played after the honored guest had opened his many gifts. The party was also a farewell event, as he will leave Saturday for the University of Illinois. He will enter the School of Engineering there.

Guests at the party were Kathy Felker, Larry Hutchison, Sharon Kolage, Penny Waford, Eugene Kessler, Karen Felker, Roy Frances and Marilyn Jenkins of Collinsville, Dennis Durbin and the honoree's sister and brother, Sandy and Kent Potillo, and his parents.

Mrs. Lane served a late buffet supper to her guests. She was assisted by her mother, Mrs. Gladys Potillo.

HONORED AT FAREWELL DINNER

Mr. and Mrs. William Scaturro, 49 Riviera drive, entertained guests at a farewell dinner party last night in honor of their brother-in-law, Pvt. Richard Rojas, who will leave today for Fort Lewis, Wash.

Those present beside the honoree and his wife, Sharon, were Mrs. Mercedes Erdman, Mrs. Felix Tucker, Billy, Patty and Debbie Scaturro and the host and hostess.

Mrs. Rojas will join her husband in the west in about two months.

ORIGINS OF WOODS

Homeowners sometimes are puzzled about the difference between hardwoods and softwoods. Generally, hardwoods come from broad-leaved trees. Most softwoods come from evergreens.

OUR BUYERS REALLY "KNOW THEIR BEANS"

This is just as important in 1962 as in an earlier period in Boston, where the favorite Saturday night dish was baked beans made with pea beans (navy beans). It would have been a crime to have used any other kind.

The first cook book recipe for baked beans appeared in 1829. Bostonians learned this art from the Indians who did the

FI-DELE TRI-HI-Y SEES SEWING DEMONSTRATION

A self-improvement project of the Fi-Dele Tri-Hi-Y was a sewing demonstration at its meeting Monday evening at the local YMCA.

The first demonstration was given by Mary Wezel, who showed how to place a pattern properly on the material. Ellen Winters explained the procedure used in setting a zipper. Their advisor, Mrs. Rose Weil, showed the girls how to make a set-in sleeve.

A discussion on a proposed party was postponed until next week due to the absence of several members. Those attending were Adele Koch, Olivia Talley, Kathy Stuch, Pat and Sandy Whitecotton, Phyllis Richter, Priscilla Hursey, Jeanne Lindsey, Linda Mason, Marianne Wagner and Judy Towse.

MRS. SCHERMER HOSTESS TO OAKLAWN GROUP

Mrs. Esther Schermer entertained the ladies residing in the Oaklawn Terrace subdivision at a dessert luncheon yesterday afternoon in her home, 43 Terrace lane.

After the luncheon, games of bridge, canasta and pinocle were enjoyed. The group meets once a month.

Those present yesterday were Mrs. Jane Walton, Mrs. Thomas Kirchhoff, Mrs. Lucile England, Mrs. Olive Chapman, Mrs. Mary Noth, Mrs. Cleo Feig, Mrs. Charlotte Frey, Mrs. Bess Causey, Mrs. Carma Froelming, Mrs. Betty Mathias, Mrs. Marie Piese, Mrs. Gerry Jackson, Mrs. Joyce Matson, Mrs. Irene Louis, Mrs. Melba Tarpoff, Mrs. Tia Maxton, Mrs. Edith Ross and Mrs. Myrtle Hickman, who was co-hostess.

GIRL SCOUT TROOP 224 FIFTH BIRTHDAY DINNER

Girl Scout Troop 224, sponsored by the Nameoki Presbyterian Church, observed its fifth birthday with a smorgasbord dinner at the Rose Bowl Tuesday evening.

A birthday cake on a musical stand and topped with five candles was used as the centerpiece of the table.

Mrs. Edward Sterle, troop leader, accompanied the scouts and was assisted by Mrs. Eugene Elberg.

The girls attending, all of whom are Coolidge Junior high students, were Judy Strain, Lauren Stagle, Deborah Stuy, Joanne Elberg, Charlotte Weiss, Cynthia Crews, Barbara Barton, Marilyn Bondegaard, Nancy Benson and Christine Harris.

ICE DIVE MADE BY LOCAL SCUBA DIVERS

Two brave and hearty members of the Bubblemasters Scuba club, Bill Brannan and Jerry Moseman, made their first ice dive Sunday at a sand pit near Highway 111.

Brannan said they did not have to chop a hole in the ice, but entered the pit at the edges where the ice was thin. They swam under the ice across the pit, clad in suits and wearing tanks. They estimated that ice in the center of the pit was at least two inches thick.

Next Sunday, they again will make the dive and hope to be accompanied by other members of the club.

DORCAS CLASS PLANS DINNER

The Dorcas class of Emmanuel Baptist Church met Monday evening at the home of Mrs. Judy Donley, 2661 Center street. The evening's devotion was given by Mrs. Juanita Keltner. Mrs. Sue Williams, president, conducted a brief business meeting. During the business meeting, plans for a "sweetheart dinner" on Feb. 23 were discussed. The dinner will be held at the church.

Mrs. Donley served a late dessert course to Mrs. Keltner, Mrs. Williams, Mrs. Helen Ham, Mrs. Betty Clark and Mrs. Lillian McKinney.

YOUTH TO CONDUCT WORSHIP SERVICE

The Sunday morning worship service of the Central Christian Church will be conducted by two youth groups of the church, the CYF group and the younger group, Chi-Rho.

In the evening, the first meeting of the annual school of missions will have a Latin American type dinner at 6 o'clock. This meal will be prepared by the ladies of the church and will include authentic Latin American food.

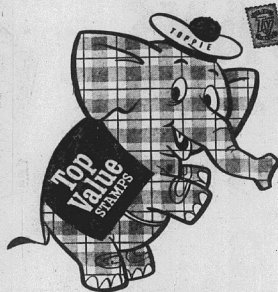

After the dinner, all age groups of the church will begin a study of Latin American countries.

SURGERY AFTER FALL

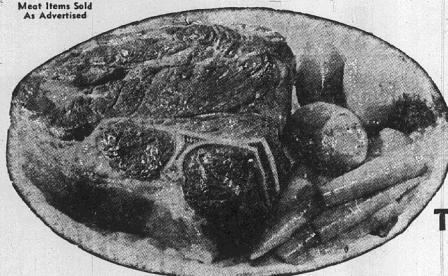

Charles Folles, owner and operator of the Folles Garage, 4312 State road, who fell on the ice and suffered a hip fracture, is recovering satisfactorily from surgery at St. Elizabeth Hospital.

ATTENDS AUNT'S FUNERAL
Lewis E. Sablin, Venice high school principal, attended the funeral of his aunt, Mrs. Kurt Henderson of Clay City, Ill., in Flora on Wednesday. He returned home late Wednesday afternoon.

About 50 members attended the January meeting of the St. Elizabeth Altar Society.

BIRTHDAY CLUB MEETS TO HONOR MRS. EBLING

The Birthday club met Monday at the home of Mrs. May Ebling, 2910 Denver street, to celebrate her birthday. A covered dish dinner was served. Games were played and awards were given.

Present were Mesdames Imogene Patton and daughter, Paula, Alberta Raub and daughter, Kathy, Laura Lambeth, Dollie Roth, Phana Donohue, Clara Forrester, Clara Sigite, Violet Jones, Betty D. Ebling, Betty L. Ebling and children, Dan and Lucinda, Juanita Blevins, Ann Miller, Annie Bronk, Mary Struttman, Betty Ursey and children, Jodi and Catherine, Geneva Lindner, Rose Mary Lindner, Ginger Bumper, Mabel Mercer, Minnie King, Dorothy Patney, Nelda Wills, Lola Tucker and Lena Harmsen.

The youth fellowship of the Mount Zion General Baptist Church met Sunday night, "Living on Borrowed Time" was the theme of the program, which was opened by Janet Ferguson. The group looked for songs which had something to do with days, years or hours. Some of them were sung, led by Mary Goodall and Diana Fahn. A Bible quiz was conducted by Bill Jackson. Those present were Larry Goodall, Pat Sipek, Mike and Kathy Levert, Linda Penrod, Bruce Martin and the sponsor, Mrs. Virginia Collins.

Jerry Thompson, son of Mr. and Mrs. Jeff Thompson, Rural Route One, has enrolled at Hannibal LaGrange College, Hannibal, Mo. He is beginning his studies for the ministry. Thompson is a member of Second Baptist Church.

THE EVANGELS, a gospel at 6:30 p.m. tomorrow at the Kirkpatrick Homes recreation center.

The students are (left to right) Adrienne Budensick, pianist; Frank Spina, youth evangelist; Carol Cribb, soloist; and J. P. Doner, song leader and soloist.

The local Free Methodist Youth have a Bible quiz team, which met the Greenville team in a match Monday night. They will contact other youths tonight to deliver personal invitations to the activities.

A youth banquet will be held at 6:30 p.m. tomorrow at the Kirkpatrick Homes recreation center. The evangelists will furnish special music, and Spina will speak.

On Saturday night the youth group will meet for discussion of questions which a panel will help to answer. A film, "Boy Meets Girl," will be shown.

The Sunday services will feature youth in the morning worship, when a newly-formed choir will sing under the direction of Robert Lorentz. Rev. Ross Clark, pastor, will speak on "All Out for Christ."

The college gospel team will have charge of the 7 p.m. service, presenting a "singasplosion," sacred music and a talk by Spina.

Dr. Kathleen Jones Primary Schoolchildren met Tuesday afternoon at Second Baptist Church to begin a home mission study, "A Kite for Billy Chung." On display were pictures, maps and articles from China.

Using clay, the group made a Baptist mission church. A large sheet of paper was used to make a drawing of two communities, one with a church and one without. On a large sentence board was placed a Bible verse that was unscrambled by Corky Burnett.

Prayer was given by Mrs. Betty Lewis, who also told the first chapter of the study book. After the story, Mrs. Lewis talked to the group about what weeks, including writing letters to missionaries and having a Chinese tea party, using Chicks Assignments were given to three Sunbeams to obtain information about missions from the pastor, Rev. W. L. Shovers.

Closing prayer was by Frances Welty and Debbie Withers. Others present were Gary Lewis, Larry Anderson, Sheila Hubbard, Michael Reynolds, Danny Bugz, Corky Burnett, Nicki Turley, Dean Olive, Allen Newberry, Linda Barrett, Denise Whitson and a visitor, Nancy Wigger.

Mr. and Mrs. W. H. Clark, 204 Dewey avenue, now have a 34th grandchild, Larry Dean Lindsey, who was born Jan. 26 at St. Elizabeth Hospital to Mr. and Mrs. Glynn Lindsey, 2014 Dewey avenue. The Lindseys also have four daughters, Linda, eight, Connie, five, Glenda, four years, and Jo Ann, 21 months.

Mrs. Lindsey is the former Miss Clark. Lindsey is employed at the A. O. Smith Corp.

Hit-Run Accident
Dorothy M. Grafford, 43, of 2001 Illinois avenue, told police Tuesday at 3:30 p.m. that her parked auto was struck at 20th street and Illinois avenue by an unidentified car that sped away.

PLAY GIVEN BY SCOUTS
Girl Scout Troop 142 met Tuesday at the Mitchell school. The Shining Star Patrol entertained with a play and celebrated the birthday of Pamela Barr, one of the members.

Those who took part in the play were Gail Martin, Pamela Sullivan, Mary Alice McKay, Sharon Crites, Susan Martin, Janice Brown and Pattie McKay. Others present were Linda Beadie, Deborah Almp, Lynn Blankenship, Terry Lee Hoch, Gay Stidham, Beverly Nordin and the leader, Mrs. Bernice McKay.

Refreshments were served by the hostess.

HONORED AT SHOWER

Mrs. Logan Donaldson and daughter, Tammy Sue, arrived at their home, 1518 Fifth street, Wednesday afternoon to find that a baby shower had been given in their honor while they were at St. Elizabeth Hospital. Tammy Sue weighed six pounds, nine ounces.

The shower was given by Mrs. Charlene Burns and Mrs. Billie Bosworth of the First Presbyterian Church Tuesday evening.

Mrs. George Lybarger, Mrs. Donaldson's mother, opened the many gifts. They had been placed in a decorated playpen which held a baby doll.

The rooms were appropriately decorated for the occasion. There were appropriate favors at each place setting, and a luncheon was served by the hostesses to those attending.

Games were played, with prizes being awarded to Mrs. Beverly Topal, Mrs. Coline Lybarger, Mrs. Georgiann Marshall, Mrs.

Ruth Nicholas, Mrs. Jean Lybarger, Mrs. Shirley Rapoff and Mrs. John Donaldson. Others participating in the event were Mesdames Sandra Pumphey, Delores Rhoada, Jeanice Rice, Dorothy Lybarger, Ashford, Rita Lybarger, Gertrude Lou Lybarger, Mary Maeck, Leona Macosk and Clava Taylor and Miss Kathy Rajewski.

SON BORN AT SCOTT

Pfc. and Mrs. Bobby Stevanus are announcing the arrival of a son, whom they have named Bobby Jr. The nine-pound, five-ounce infant arrived Wednesday morning at Scott Air Force Base, Belleville.

Mrs. Stevanus and her small daughter, Deborah Kay, resided at the home of Mrs. Stevanus' parents, Mr. and Mrs. George Humphreys, 1916 Fourth street, and Stevanus is stationed in Germany. Mrs. Florence Stevanus, the grandmother, resides in Cleveland, Ohio.

RETIREES FROM STEEL CO.

Mrs. Ava Baker, 2036 Sixth street, is the first woman to retire at the North plant of the Granite City Steel Co. Mrs. Baker started working during world war II, in January 1944, as an assessor and held the same work until her retirement.

Mrs. Baker started working during world war II, in January 1944, as an assessor and held the same work until her retirement. Monday, at which time pictures were made and a radio, Bible and watch were presented to her for her retirement. Mrs. Baker is the wife of Pearl Baker and mother of Clotis, Leroy and Coy Baker.

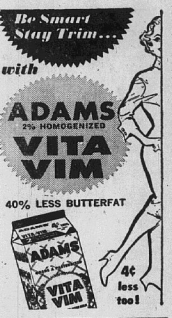

SORORITY INSTALLATION

Misses Dorothy and Norma Hinson and their mother, Mrs. Hazel Hinson, 1530 Third street, returned home Sunday evening from Oklahoma.

Mrs. Hinson was a guest at the home of her cousin, Mr. S. Mildred Waggoner, in Holdenville, and the others motored on to Oklahoma City, where Miss Dorothy Hinson, national corresponding secretary for the Phi Tau Omega sorority, assisted with installation of officers and initiation of new members of the Alpha Nu sorority.

The event was held at the Lake View Country club, Oklahoma City, where Miss Norma Hinson was a guest for the evening.

ARMENIAN LIBRARY TO BE ESTABLISHED

The Mr. and Mrs. club of St. Gregory the Illuminator Church, 1732 Maple street, met Sunday evening at the church basement. Plans were made to start an Armenian library for the church. The library will consist of all the magazines published in

America about Armenia, either in English or Armenian. It also will include all the important books written about Armenia, its political history and its church history.

The parishioners will be asked to donate funds and also books that they may have in their possession.

Plans were made to have an Armenian play in the late spring. Several plays have been ordered from Boston.

It was decided to form a committee consisting of two couples to give talks on the Armenian

history, church and ways of life at each meeting. The discussions will last about 20 minutes.

Rev. Goran Shrikian will be the initial speaker at the next meeting. He will review the Armenian church's Lenten customs. Refreshments were served by Mr. and Mrs. Robert Parsaghatian and Mr. and Mrs. Edward Asadorian. The next meeting date was set as Feb. 25.

Members present included Mr. and Mrs. Andrew Hagopian, Mr. and Mrs. Amir Kachigian, Mr. and Mrs. Manie Ohannessian, Mr. and Mrs. Yourken Shrikian, Mr.

Mrs. Charles Sisoian, Mr. and Mrs. Sam Manogian, Mr. and Mrs. John Markarian and Rev. and Mrs. Shrikian.

PLAN FAMILY DINNER

The Ladies' Auxiliary of St. Gregory the Illuminator Church met Tuesday evening in the church basement, with 20 members present. Prayer was offered by Rev. Goran Shrikian to open the meeting.

It was decided to hold the next monthly family dinner in St. Louis. The food will be prepared by the members who live

in St. Louis. The date was set as next Sunday, Feb. 4. Next meeting of the auxiliary will be Feb. 27.

Present were Miss Roxie Asadorian, Mrs. Peruz Asadorian, Mrs. Mary Asadorian, Mrs. Marianne Asadorian, Mrs. Mary Parsaghatian, Mrs. Hayganush Parsaghatian, Mrs. Nuvart Krikorian, Mrs. Marianne Sgharian, Mrs. Helen Kachigian, Mrs. Nuvart Kachigian, Mrs. Mentul Grigorian, Mrs. Mary Haroian, Mrs. Lucia Hortician, Mrs. Frances Manogian, Mrs. Hanum Manogian, Mrs. Nuvart Hago-

plan, Miss Vanig Hagopian, Mrs. Elizabeth Bedian, Mrs. Angelina Hagopian and Rev. Goran Shrikian, who presided.

Objectives of Safety Council Set For 1962

Objectives for 1962 were outlined this week for the Madison County Safety Council by the newly-elected president, Clifton E. Blankenship of Granite City, safety director for the local A. O. Smith Corp. plant.

Those set forth by Blankenship were:

Meet the challenge of the sixties by keeping abreast of new processes and new techniques in a changing industry.

Promote safety and positive thinking in management people, particularly first-line supervisors, by encouraging their attendance at the regular monthly meetings of the Safety Council.

Expand the membership, especially among the smaller industries, where there is a need for accident prevention programs.

Bring the membership a safety program of ideas and experiences that are fundamental to industrial accident prevention.

St. John Church Members To Honor Mrs. Flaxbeard

Mrs. Freda Flaxbeard, custodian at St. John United Church of Christ on Nameki road, will be honored Sunday in a special service of recognition for completing 33 years of service at the church.

Mrs. Flaxbeard and her late husband, affectionately known by members of the congregation as "Sol and Freda," began their work as custodians in 1928. Their duties included caring for the frame church and the old frame parochial school building which was razed in 1954. In August of 1934 the frame church was destroyed by fire. The Flaxbeards witnessed the erection of the basement unit of the new stone church in 1935 and the superstructure added in 1936.

On numerous occasions services were interrupted in the basement unit when back water from the sewers would fill the basement with a foot or two of water.

Mr. and Mrs. Sol Flaxbeard moved to Granite City in 1924 from Nashville, Ill. He was employed by Granite City Steel Co. from 1924 to 1954 when he retired. He assisted his wife at the church until his death in April 1960.

Among the many memories of Freda Flaxbeard is the school year of 1938-39 when six grades of public school children leased the six classrooms in the educational building for public school purposes.

Distribute Alcohol, Narcotic Pamphlets

Publication and distribution of a compilation of pilot studies pertaining to alcohol and narcotic education instruction for students in the first three grades has been undertaken by the office of George T. Wilkins, state superintendent for public instruction.

Copies of the pamphlet, "Samples of Materials on Alcohol and Narcotic Education," being sent to public school district superintendents and to county superintendents of schools. These officials will, in turn, distribute the publications to teachers of the first, second and third grades.

Wilkins said the pamphlet will enable Illinois teachers to easily comply for the first time with certain provisions of the Illinois School Code. The code calls for teaching of the nature of alcoholic drinks and narcotics to be taught in the lowest three elementary grades of all public schools, "using textbooks adapted for such oral instruction as a guide and standard."

The sample lessons and evaluations were prepared by Dr. N. Hunter and Consultant Mark N. Peterson of Supt. Wilkins' Department of Physical Well Being in cooperation with county school superintendents and public school officials in 12 Illinois counties, including Madison.

Taxpayer Assistance Available Here Monday

Quad-City area taxpayers will again be able to receive personal assistance in preparing their 1961 income tax returns by an agent of the Internal Revenue Service from 9 a. m. to 4 p. m. Monday in the council room of the city hall in Granite City.

In announcing the availability of service locally, the IRS again pointed out that telephone assistance is not available here, but only from the East St. Louis office. Those seeking aid are requested to have as much of their return as possible completed before hand.

Select Name For Daughter Budget, Audit Reports

The 1962 budget was presented to and approved by the Mitchell Kiwanis Club members at their regular weekly meeting Monday night, and a report also was given on the year-end audit by the auditing committee.

Discussion at the meeting was devoted to incorporation papers and non-profit organizations as related to income tax preparation. Plans were made to attend an inter-club meeting at Edwardsville the following night.

The youth activities committee said baseball uniforms are being picked up for cleaning and will be re-issued for the baseball season. Ten members were present.

Need Remodeling Plan, Barnes Tells Kiwanis

The downtown business district needs more remodeling projects, but some overall planning first, Granite City Kiwanis Club members were told Monday night by Alvin Barnes Jr., executive director of the Associated Retailers and Civic Association.

Barnes was guest speaker at the club's regular weekly dinner meeting at the Elks Lodge, discussing the downtown business district and the problems of discount retailing. He said local merchants have analyzed some of the ills of the downtown area, and cures have been recommended.

While some \$3-million has been spent on downtown remodeling projects in recent years, Barnes said, they have been done helter skelter and lack an overall advance plan. Such a plan is needed, he said.

The downtown merchants have felt the impact of discount houses, the speaker noted, and the discount merchants have been getting an increasing volume of the retail business. He said night and Sunday selling have accounted for a great portion of this, as the working wife may find it difficult to shop during the week-day hours.

The discount houses rely on a low profit margin and great volume of sales. Barnes told the Kiwanians. Some 70% of their sales are in soft goods, he said, and 20% of their sales are made on Sunday. He said they offer few services, and increased service is the answer for the downtown retail merchant.

A special guest at the meeting was Henry Mathewson of the Greenville Kiwanis Club, a division lieutenant, governor. Other guests were Commander P. D. Watson, Lester Martin, Robert Young and Sidney Daugherty, all representing the Bowling Bowl Club.

The host club members met with the Kiwanis special events committee to discuss plans for the second annual Press-Record Kiwanis boat racing event to be held this summer.

Credit Union Officers

Gen-Con Federal Credit Union for General Steel Industries employees will have as its 1962 president Alfred Westphal, it was announced this week. Other officers will be Jesse Rain-ert Stevens, Bernard Fricke and Ray Kramer, supervisory committee members.

While some \$3-million has been spent on downtown remodeling projects in recent years, Barnes said, they have been done helter skelter and lack an overall advance plan. Such a plan is needed, he said.

The downtown merchants have felt the impact of discount houses, the speaker noted, and the discount merchants have been getting an increasing volume of the retail business. He said night and Sunday selling have accounted for a great portion of this, as the working wife may find it difficult to shop during the week-day hours.

The discount houses rely on a low profit margin and great volume of sales. Barnes told the Kiwanians. Some 70% of their sales are in soft goods, he said, and 20% of their sales are made on Sunday. He said they offer few services, and increased service is the answer for the downtown retail merchant.

A special guest at the meeting was Henry Mathewson of the Greenville Kiwanis Club, a division lieutenant, governor. Other guests were Commander P. D. Watson, Lester Martin, Robert Young and Sidney Daugherty, all representing the Bowling Bowl Club.

The host club members met with the Kiwanis special events committee to discuss plans for the second annual Press-Record Kiwanis boat racing event to be held this summer.

Need Remodeling Plan, Barnes Tells Kiwanis

The downtown business district needs more remodeling projects, but some overall planning first, Granite City Kiwanis Club members were told Monday night by Alvin Barnes Jr., executive director of the Associated Retailers and Civic Association.

Barnes was guest speaker at the club's regular weekly dinner meeting at the Elks Lodge, discussing the downtown business district and the problems of discount retailing. He said local merchants have analyzed some of the ills of the downtown area, and cures have been recommended.

GCHS Gets Two More Shots At First Conference Victory This Weekend

"We're going to try and pick up a couple this weekend," said Andy Sullivan, the hopeful but rather resigned coach of Granite City high school's basketball Warriors.

Sullivan was eyeing the weekend schedule, which gives Granite City the opportunity to climb out of the Southwestern conference cellar, provided GCHS can put together back-to-back basketball victories, something which has not happened since last Feb. 28.

"Tomorrow night the Warriors visit East St. Louis to play the Flyers, the only SWC team against which Granite City has offered much resistance in an O-8 league campaign.

But the Flyers own a surprising win over Alton, are much improved over the usual run of East St. Louis clubs, and now stand in third place in the conference with a 5-3 mark.

Pick Dehner's club downed GC here 66-53 last Dec. 15, and that's as close as the Warriors have come to winning in the conference. And Granite City again will have to contend with the conference's leading scorer and rebounder, Jim Long.

On Saturday evening, the Warriors will be at home to Edwardsville in what could be a battle to avoid the basement, depending on the outcome of the

GC-Flyer and Edwardsville-Wood River games of Friday.

Ron Harris' Bengals are having their troubles winning, too, and show a 1-6 record in the SWC. But, "We're not hitting our big man (6-4 Moore) often enough, and weren't aggressive against Alton's man-for-man defense," Sullivan said. "We've got to drive more."

Moore, the hot-shooting Fred (75 points in his last five games) and Wortham have carried the scoring load in recent weeks, but the Warriors are averaging just 47 points per game.

One conference activity this weekend is highlighted by the Belleville-Collinsville battle Friday night, with the Kahoks at home with a chance to revenge an earlier one-point loss to the Maroons and move into a two-way tie for first place.

On Saturday night, East St. Louis calls at Belleville while Alton visits Wood River.

St. Elizabeth, Venice Divide Two Cage Games

Venice grade school's "A" team ran roughshod over St. Elizabeth of Granite City, 52-21, after St. Elizabeth had beaten Venice seventh graders 44-21 in a pair of basketball games played Monday evening in Venice.

The Venice eighth graders got excellent scoring balance, with Richard Washington dropping in 19 points, Terry Cooper 11, Sammy Becerra 10 and Howard Allen 9. The winners scored 19 of their 52 points in the second half, but led at halftime, 42-12.

Robert Dunn scored 22 points, 14 of them in the last quarter, as he hit seven of nine shots from the floor, to give St. Elizabeth the victory in the first game. Denny Hill topped Venice with nine points.

St. Joseph completed its season against St. Mark's at 6:45 to-night at the VGS gym, and enters the conference tournament in Wood River on Feb. 7.

St. Bartholomew's, Sacred Heart Post Church League Wins

Sacred Heart and St. Bartholomew's chucked up easy park district Church League victories Monday night at Coolidge junior high school. The former team defeated St. Joseph 85-53 and the latter quipped swamped Namekoi Methodist, 105-29.

It was the fifth win for both A Division teams, but Sacred Heart sports two losses to St. Bartholomew's three. Paul Mosby and Larry Williams paced Sacred Heart with 25 and 24 points, Jack Hinterer added 15 for the winners.

St. Joseph was led by August Becerra, who took game scoring honors with 26 markers. Hiram Cook contributed 14 points for the losers.

Five players hit 15 points or more for St. Bartholomew's. It trounced Namekoi Methodist. Glen Sprinkle and Mike Tritan led the attack with 34 and 21. Harold Tankley and Danny Boland added 16 points apiece, and Mike Schuette flipped in 15.

Don Hornberger was high for the losers with 20, while Jim Jeffries added 13.

Classic League Wins Posted By Spengler, Bowland

Bowland and Spengler Insurance were Monday night winners in the park district's Classic League action at Prather junior high school.

Bowland, a slim 29-28 halfcourt lead, the Venice Athletic Club could not find the range in the second half and bowed to Bowland, 65-52. Bob Finkle and John Corrie were high for the winners with 20 and 15 points respectively. John Campbell paced the losers with 22.

Managing only eight points in each of the first two quarters, Espie's and Annie's found themselves behind 38-16 at the intermission. The second half was played fairly evenly as Spengler's coasted to a 77-40 win.

Don Dingeworth and Art Borchers led Spengler Insurance with 24 and 19 markers. Merle Mendoza's 20 points and J. Gonzalez's 16 were high for the losers.

State Prep Fans Focus Attention On Madison-Collinsville Game Saturday

It's too bad for Madison and Collinsville fans that basketball games cannot end in ties like grid contests. This is because their favorites clash Saturday night at Madison in a game that could go a long way in determining this area's state championship candidate.

"Friday night is our big night," Coach Earl McCannan's fourth-ranked Madison Trojans will be putting their record on the line when they host Vergil Fletcher's Collinsville Kahoks, who are ranked tenth in the state.

"Defending state champions the Kahoks are 12-2 for the season. They have averaged one point a game and two in the last three games. They are coming in with a lot of momentum."

Madison Sophomores Score 78-68 Victory Over Granite City

With four starters finding the range for 10 or more points, Madison high school's sophomore basketball club downed Granite City Monday night on the losers' tour.

Larry Liles of GCHS took game scoring honors with 26 points, as he hit 10 of 19 shots in a team narrow 41-23 halftime deficit to 10 points as the final quarter began.

Both clubs shot well in the last eight minutes, mashing 20 points each in the final quarter. Madison ran to a 21-11 first-quarter lead before Granite City warmed up, and the early contest proved the difference.

Cecil Bell led the Trojan sophs with 21 points, and got help from Gary Skinner with 17. Lonnie Brown and Louis Leonard added 10 and Ron Yates rimmed 15 points for Granite City.

Filing Data Given For Venice School Board

Dates have been announced for filing of petitions for nomination of candidates for election to the Venice school board in the April 14 election. Three members are to be named.

First day for filing is Feb. 26 and the last day March 24, with March 27 set as the final day for withdrawal. All nominating petitions must be filed with Roy Musick, secretary, at the school board office in the Venice grade school. Filing hours will be 9 a. m. to 5 p. m. Monday through Friday, and 9 a. m. to noon each Saturday.

The three members whose terms expire are Musick, Board President Lester Salem and Eugene Egan. All three have announced they will be candidates for re-election.

Levee District Seeks Sewer Trunk Line Bids

Bids for the construction of a sanitary trunk sewer line and the installation of three underground pumping stations in Canteen township, St. Clair county, will be accepted until 7:30 p. m., March 15, at the offices of the East Side Levee & Sanitary District, 2642 McCasland avenue.

The proposed construction would be of eight, 10, 12 and 15-inch diameter sewer pipe, beginning at Forest blvd., extending through the Washington Park area and terminating near Baleyder avenue and 41st street, being approximately 7750 feet in length.

Bids will be opened and canvassed on the basis of estimates.

Ill. Power Booklets On Electric Cooperatives

Because of the growing controversy regarding lack of regulation of REA rural electric cooperatives, Illinois Power Co. has distributed informational booklets to each of its 3420 employees. Allen Van Wyck, president, announced this distribution.

"We cannot sit idly by," Van Wyck says in the booklet, "while some unregulated co-operatives — whose 2½-interest loan funds are available to other citizens upon request — move into suburban, city and industrial areas which we have the right to serve. Any move that damages our company and its business is a threat to all employees and the security of their jobs."

The booklet notes that Illinois Power has no quarrel with the expressed intent of the 1936 REA act to bring electric service to farm and rural areas which did not have it.

It adds that "today, four out of five new customers being added to co-operative lines are not farmers, but urban and suburban residences, and commercial and industrial plants." Over half the co-operative electricity is now being sold to industries and other non-farm members.

"Co-ops are losing their true rural identity," the booklet contends. "They are becoming utilities, companies, unregulated and uncontrolled. Farmers will soon become a minority group in co-op control."

Dangers cited are that co-operatives could vie to the demand of non-farm customers that rates be devised to put a greater portion of the cost on the farmer, because he is more expensive to serve than the new urban and suburban customers; and that industries and jobs could be lured away from a city whose wage earners were helping to provide the bulk of cheap federal money. The latter would be possible through low-interest loans to potential co-op customers to buy electrical machinery for industrial purposes.

"Fair play in the matter of regulation — the same rules for the co-op as for the investor-owned utility — is one answer to this thrust for more government-subsidized power. It is not fair that your tax money is to be used to lure industry we now serve into the rural areas served by the co-operatives who pay no federal taxes."

Youth Week Observance Continuing Here

Continuing the observance of Youth Week which began Sunday at Good Shepherd Evangelical United Brethren Church, there will be a "halcyon" night this evening and a youth banquet Saturday at 5 p. m. when a film will be shown. The closing service will take place Sunday at a "family night" when the young people will provide recreation and lead devotions.

The speaker at the closing service is to be Rev. Herman Cook, director of youth work for the Illinois Conference of the EUB church. Rev. Bill Bry is an pastor of the local church.

SW Bell To Distribute Area Code Stickers

Quad-City long distance numbers get a new look this month when the telephone company mails Area Code 618 stickers to customers with their regular bills.

Area Code 618 is the long distance calling designation for the Quad-Cities under the nationwide telephone numbering plan, according to George Mauze, manager of Southwestern Bell.

"Telephone numbers do not change under this plan," he said. "But customers now should consider Area Code 618 as part of their long distance numbers. Just combine Area Code 618 with your local number to get your nationwide long distance number."

He said customers will be asked to put the Area Code 618 stickers on the number plates of their telephone dials.

"These stickers will help remind telephone users here to include Area Code 618 when giving their numbers to people in other cities," Mauze continued. "With direct distance dialing, Quad-City customers use area codes to dial to distant telephones. In the same way, people in many other cities use Area Code 618 to dial direct to Quad-City telephones. Even in cities that don't have direct distance dialing, long distance calls to the Quad-Cities will go through faster if the caller gives the operator Area Code 618 along with the local number."

Use of area codes in the telephone numbering plan provides different long distance numbers for all telephones in the country. No two local telephone numbers are alike within the same dialing area and each dialing area is identified by an area code. "When you combine the area code and local number, you have a long distance number unlike any other in the nation," Mauze said.

Mansfield To Take Part In Labor Conference

Frank C. Mansfield, assistant plant manager at Dow Metal Products Company's Madison plant, will be among the participants in a joint-sponsored conference of the Industrial Relations Club of Greater St. Louis and AFL-CIO Region XV to be held in St. Louis on Feb. 21.

The conference title is "The Attitudes of Labor and Management Toward Each Other... and This Joint Responsibility to the Community."

Mansfield will take part in a workshop program, "Labor-Management Rights in Collective Bargaining" over which Salvatore Costantino, regional National Labor Relations Board director, will preside. The sessions will be held at the Chase Hotel. Mansfield, who holds degrees from the University of Illinois and Washington University, formerly was director of industrial relations at Dow. He is manager of the East Side Associated Industries and is an attorney, specializing in labor relations law. Prior to his association with Dow, he was assistant director of personnel for Emerson Electric Mfg. Co. and personal manager of his Illinois client. He is a registered legislative agent in Illinois and is a lecturer in Labor Management Relations for Southern Illinois University.

NOMINATIONS FOR PTA

AWARD FEB. 10
A Feb. 10 deadline has been set on nominations for the person who has contributed most to advancement of local PTA. The Teacher Association will hold a banquet on Feb. 10 to receive a lifetime membership in the state PTA organization. The person who has contributed most to advancement of local PTA will be the recipient of the award. The award presentation is a highlight of the year's appreciation and recognition banquet. Past winners are Earl Lee, George Moore and Mrs. Ida Handfield.

Mrs. Handfield, the winner a year ago, is chairman of the current panel of judges to select the recipient. Nominations must be submitted to her by the Feb. 10 date. The time limit on banquet ticket sales is Feb. 21. Ticket funds should be sent to the treasurer, Ralph Monken, at 2301 Lee avenue.

Those attending will have an opportunity to meet and hear Mrs. Frances Nelson Papp, president of the Illinois Congress of Parents and Teachers. In addition to the award ceremony and her talk, the program will include vocal selections by GCHS students under the direction of Warren Simpkins.

The area council will hold a leadership training course on four Saturdays, March 17, 24 and 31 and April 7, with sessions lasting from 12:30 p.m. to 4:30 p.m. at Granite City high school.

An enrollment fee of \$2 will be charged, and the registration deadline is March 18. The fee and registration may be sent to Paul Welsh, registrar. Instructors for the course will be Supt. Harold M. Kaiser, M. A. White, George and Earl Lee, and district administrative assistants, Mrs. Kathleen Tack, council president.

Individual PTA units currently are contributing to a PTA district scholarship fund. The district receives \$100 in PTA scholarships but has not been obtaining this much from the units.

Proposed legislation has been forwarded to the state PTA for its annual convention April 10, 11 and 12 in St. Louis. Field relates to proxy voting by delegates. If passed, the amendment would give a voice in state PTA decisions to those units unable to send delegates to the conventions. At present only those delegates attending in person may vote.

PLAN WORSHIP SERVICE

The CYF group of the Central Christian Church held a weekly meeting Sunday evening at the church, with Larry Whitsell, president, in charge of the meeting.

The group discussed plans for the Feb. 4 morning worship service which it will conduct, and also a service project for the near future.

Martha Spengler was in charge of the study lesson on "Dating," and different ways of asking for a date were explained. Problems arising from dating out of one's faith were discussed.

Songs were sung, and David Green led the evening's worship service. Janice Townley was in charge of recreation, and refreshments were served by Larry Whitsell. After the meeting, the group practiced for next Sunday's worship service.

Mrs. Charles McConnell and Mrs. Thomas Burns have been appointed to the ticket committee for a fashion show to be given by the Granite City Junior Service club March 6 at Granite City high school.

Other committees include: decorating, Meddams, Kenneth Rapp, Paul Morris, Glen Kominie and William McKee; music, Misses Jean and Mary Siebert; lighting, Miss Flora Mae Lensing; Mrs. Steve Kovar; advertising, Meddams, John Schnaffer, Paul Knecht, Marvin Greenbaum and Helen Pasovally; and all probationary members.

AREA YOUTH FELLOWSHIP MEET AT LOCAL CHURCH

About 40 members of the CYF of Marine, Edwardsville, Belleville and East St. Louis attended a world fellowship meeting at the Central Christian Church over the weekend. The senior high school students were housed in the homes of congregation members.

The meeting began with registration and was followed by a meal of typical Latin American foods, including tacos and bean flower seeds. A worship service followed, and Mrs. Joseph Whitmer, gave an address.

Mrs. Whitmer, a missionary, is spending her Sabbath in the United States. She has been a missionary in Jamaica and the Belgian Congo, and spoke of her experiences in these countries as well as the work of the missionary program. The evening concluded with planned recreation.

An "interest group" next met at the church for a study of Latin America, topic for this month. A short business session was held, and a movie was shown on Latin America. The Latin American Rhythm ensemble of Cordillera Junior High School, under the direction of Robert Todoroff, presented a concert. A banquet was held, and the speaker was Garland Hoskins, a student doing graduate work at Washington University. He also is doing social youth work at the Pilgrim Congregational Church in St. Louis. A worship service by the CYF youths ended the meeting.

CHURCH TO CONDUCT CANVASS IN SPRING

A special meeting was called for members of the cabinet and members of the "every member canvass" committee Sunday afternoon at the Central Christian Church.

Richard Davison, general chairman of the canvass, conducted the meeting, purpose of which was to coordinate plans of the proposed program and to discuss the projected dates for the canvass. It will be held in an eight-week period beginning April 1 and running to May 20, and will be known as the "Intensive Period."

Others who attended the meeting included Rev. James Craddock, church pastor, Mrs. Murel Spengler, chairman of the church council, and department chairmen, Mrs. Clay Rush, Mrs. John Pekaric, John Gordon, Dr. Richard Walters and Roy Hulse. Davison announced at the close of the meeting that more meetings will be called shortly to complete the plans.
